Are you raising capital for your start-up (seed funding or for development)?

Do you want the opportunity to meet with a panel of international investors?

Participate in the Venture5i (organised as part of the Forum 5i) in Grenoble, France, on May 31st and June 1st 2017.

The Venture 5i is organised by the Greater Grenoble City Area in partnership with 13advisry and with the support of the area's major innovation actors.

Around thirty innovative start-ups will be chosen by our prestigious, international Selection Committee, presided this year by **Diego Braguglia (VI partners)** and including, among others, Airbus Ventures, CEA Investissement, Creaxi, Demeter Partners, Innogest Ventures, Omnes Capital, Panakès Partners, Solvay, Virgo Ventures and Wellington Partners. This Committee will select start-ups based on their potential, the innovative character of their project, their potential market and their team.

Why apply ?

- Opportunity to present your start-up
- Network with investors and other innovative companies
- Opportunity to have a test pitch with the advisory committee and to get feedback about your pitch before meeting the panel of investors
- Huge visibility – stands, press releases etc.

How to apply ?

- Complete your profile online <http://venture5i-2017.insight-outside.fr/> on our secure, dedicated platform
- Deadline: 31/03/2017
